

Maximize Results and ROI

WITH ZIFT SERVICES AND SUPPORT

Services

There's much more involved in channel success than quickly establishing a partner portal or launching a campaign. And even the very best channel technology falls short without the proper support. That's why an array of services, support, best practices, education and thought leadership accompany Zift Channel as a Service (CHaaS). Zift provides self-service, managed and custom service options to create a solid foundation for channel success.

Our Experts at Your Service

Zift delivers strategic insight and tactical support to maximize results and ROI. Our experts leverage years of experience working with thousands of the world's leading channel organizations to guide you through the intricacies of recruiting, onboarding and engaging partners, creating winning campaigns, implementing new processes, integrating CHaaS with your established systems, and refining assets to strengthen your brand.

Easily extend your resources and ensure all of your initiatives resonate with partners and prospects by selecting the services that meet your needs.

CHANNEL SUCCESS SERVICES

A dedicated Customer Success Manager works with you to build a strategic plan specific to your program requirements and goals, maximizing results from selected Zift products.

BASIC/STANDARD SUPPORT

Questions? We provide answers to you and your partners via global, in-language support on the phone, through email or online chat.

IMPLEMENTATION SERVICES

Speed time-to-value, streamline integration with established systems and infrastructure, and drive partner engagement with enhanced portal styling from Zift's Implementation Services team.

EXPERT SERVICES

Zift experts oversee product configuration, campaign management, content management, integration management, reporting and analytics via an ongoing subscription or on a project basis.

CREATIVE SERVICES

Wow your partners and prospects without adding to your workload. Our experienced on-staff creative experts deliver high-impact partner campaigns, oversee content setup and layout, develop digital assets, to-partner communications and training materials to enable and support partners.

CHANNEL ENGAGEMENT SERVICES

Capture and keep partner attention with personalized partner training, onboarding and campaign execution available via Zift Premium Support. Provide an even higher level of support for your partners with Managed Services, which execute co-branded campaigns on their behalf.

CHANNEL READINESS ASSESSMENTS

Explore the foundational levels, current capabilities, key strengths and focus areas to improve the overall effectiveness of your channel programs.

TRAINING

Ensure competency and excellence across the entire Zift platform with Zift online and on-site training sessions, best-practice workshops, certifications and self-taught competency modules.
